

## WOMBAT PERMITS

### A. Are currently active

As at 7 August 2017, a total of 22 permits are currently active to shoot wombats in Tasmania. No permits are currently in place for the West Tamar area.

### B. Were issued in the year 2016/2017

During the year 1 July 2016 to 30 June 2017, a total of 34 permits were issued to shoot wombats in Tasmania. Thirty-three permits were issued in the 2016/17 financial year prior to the Government's introduction of new policies around issuing of permits on 14 March 2017. A single permit was issued between 14 March 2017 and the end of the 2016/17 financial year.

### C. Were revoked in the year 2016/2017

During the year 1 July 2016 to 30 June 2017, a total of three permits to shoot wombats were cancelled under the provisions of Regulation 29 of the *Wildlife (General) Regulations 2010*. The cancelled permits were all in the West Tamar area.
