

Department of Primary Industries, Parks, Water and Environment

*Water Management Act 1999*

***PERMISSION TO TAKE WATER UNDER SECTION 90(1)(b)***

---

**Class of Person**

Water Licence holders authorised to take water from a water resource within the area covered by the Ringarooma River Catchment Water Management Plan who have completed and submitted to the Department a "historical water use survey" in 2004 which identified that the average annual volume of water taken and used over the survey period exceeded the volume of licensed allocations and other entitlements or authorisations to take water.

**Water Resource**

Surface water resources within the area covered by the Ringarooma River Catchment Water Management Plan.

**Particular way in which water may be taken**

For each relevant licensee, the maximum volume of water that may be taken in the summer take period between 1 December and 30 April inclusive under this authorisation shall be the difference between the average annual historical use volume as identified in the 2004 water use survey submitted to the Department and the volume of current licensed allocations and other entitlements or authorisations to take water.

---

In accordance with the provisions of section 90(2) of the *Water Management Act 1999*, persons authorised under this permission are hereby permitted to take water as specified above subject to:

1. restrictions on the taking of water that may be imposed under section 92 of the *Water Management Act 1999*.

This permission is effective for the period 1 December 2016 to 30 April 2021, unless earlier revoked.
