

**NOTE:**

1. The Purpose of this plan is to create Habitat Protection Zones over the State Waters portion of the Southwest National Park.
2. All boundaries are High Water Mark (H.W.M.) or lines joining defined High Water Mark points.
3. All High Water Mark intersection points are on coastline.
4. For details of individual land parcel boundaries, refer to Land Information System Tasmania (the LIST).

**LEGEND**

Lot 1 - Restricted Take Zone

Lot 2 - No Take Zone
