

# GAME CHANGES

*from March 2020*

## FOR LAND OWNERS

### Antlerless Deer

- CPPs for antlerless deer will be issued for five years;
- Antlerless deer can be taken using a CPP from 15 March to 15 November inclusive;
- No tags required;
- No quota;
- Annual take return is required;
- Your responsibility to manage hunters and provide an annual take return for your permit;
- Must carry permit when taking deer under a CPP.

### Male Deer

- CPPs issued yearly;
- Quota and tag requirements still apply;
- Must carry permit when taking deer under a CPP.

**CPP = Crop Protection Permit**

## FOR HUNTERS

### Antlerless Deer

- Antlerless deer season, 15 March to 15 November inclusive;
- No tags required;
- No quota;
- Annual take return is required;
- DO NOT include deer taken under a CPP as part of your game licence take return;
- Must hold a current deer licence to take deer during the gazetted seasons or under a CPP;
- Must carry agent permit and deer licence when taking deer under a CPP.

### Male Deer

- One male deer can be taken during the gazetted open season;
- Requirement to tag male deer taken during the gazette open season;
- Must hold a current deer licence to take deer during the gazetted seasons or under a CPP;
- Must carry agent permit and deer licence when taking deer under a CPP.

**NOTE:** A deer licence is required to take deer using a CPP unless you are a member of the landowner, lessee or manager's immediate family household or an employee or contractor employed for duties including browsing wildlife control.
