

# Racing Licences 2018

## Industry Training

The following four unit skill set has been identified as the minimum requirement for harness trainers and drivers:

- |               |  |
|---------------|--|
| 1. BSBWHS201  | Follow OHS procedures and observe environmental work practices |
| 2. RGRPSH201A | Handle Horses  |
| 3. RGRCMN001A | Comply with the Rules of Racing and other related protocols    |
| 4. RGRPSH203A | Perform basic driving tasks                                    |

The licensing conditions for a stablehand requires the completion of the two unit skill set:

- |               |  |
|---------------|--|
| 1. BSBWHS201  | Follow OHS procedures and observe environmental work practices |
| 2. RGRPSH201A | Handle horses and  |

For participants who intend to upgrade their license from a stablehand category to trainer or driver, this process will require completion of the two additional units of competency to complete the four unit skill set:

- |               |   |
|---------------|---|
| 3. RGRCMN001A | Comply with the Rules of Racing and other related protocols and |
| 4. RGRPSH203A | Perform basic driving tasks                                     |

Further information on training costs and enrolments can be obtained from:

- Marion Dalco on 0407 434 054 or
- Sue Forrester-Clarke on 6777 2634

Fees (These fees may be subject to change)

2 Units	\$145.83	Concession	\$48.61 (Current Centrelink Health Care Card)
