Hobart TAS 7001

Reporting

As part of the accountability arrangements governing the Scheme in Tasmania, the Department is required to provide periodic reports to the Australian Government detailing the number of rebate applications received and processed, total funding disbursed, activities funded, and the location of funded activities. The Department may also publish details of the reports provided to the Australian Government. In meeting its accountability obligations, the Department will endeavour to avoid publishing information that could be used to identify an applicant without the prior consent of the applicant.

Declaration

I, the undersigned, declare and warrant (as the case may be) that:

- I have authority to provide the information contained in this application and to sign the application for and on behalf of the applicant specified in this application.
- The information provided in this application is true and correct to the best of my knowledge.
- The applicant is an eligible primary production business located in an eligible local government area, and the on-farm water infrastructure for which the applicant is seeking a rebate is an eligible activity, consistent with the Scheme Guidelines.
- The water infrastructure costs detailed in this application have not been financed by the Australian Government or the Tasmanian Government under another program, other than a loan program.
- The applicant is not insolvent or under external administration or bankruptcy proceedings, and the owners of the business are not bankrupt or subject to bankruptcy proceedings.
- The applicant agrees to indemnify the Crown in Right of Tasmania against all present and future legal liability, claims or proceedings for financial loss arising from, or attributable to, the provision and use of information contained in this application.
- The applicant agrees to a representative of the Department undertaking an inspection of the on-farm water infrastructure detailed in this application.

I understand and acknowledge that:

- This application is made at the applicant's own cost and risk and may be subject to audit.
- Deliberately giving false or misleading information is a serious offence.
- I will be liable to repay such amount of the rebate as the Department may demand in writing if any information in this application is found to be false, misleading or materially incorrect.
- Once submitted, this application and any attachments and supporting documents remains the property of the Department and is subject to the *Right to Information Act 2009*.
- The provision of the rebate to eligible applicants is at the absolute discretion of the Department.
- The Department will not be held responsible for any delays in the payment of the rebate, or errors due to factors outside its reasonable control.
- The Department reserves the right to suspend an EFT transaction and to pay the rebate by cheque or any other manner.
