PAYMENT OF FINES

IF YOU HAVE RECEIVED A FINE, PLEASE DON'T IGNORE IT.

A fine notification is presented to the participant either at the time the fine is issued by stewards, or forwarded by mail. Once a fine notification has been issued, you are required under the Rules of Racing to pay the fine within the following time periods, unless the Director of Racing (DOR) determines otherwise:

- Thoroughbred (LR 21.10) - 14 days of the issue of the fine
- Harness (AHHR 310) - 28 days of the issue of the fine
- Greyhound (GAR 96) - 14 days of the date upon notification of the penalty

Within the specified period from the issue date on fine notice, you must do one of the following:

- pay the fine in full; or
- apply to the DOR to pay the fine by instalments;

If you fail to pay your fine within the above time periods, you may be placed on the Forfeits/Defaulters List. Once your name is placed on that List by the DOR, you are considered a disqualified person and subject to the same disabilities and penalties as specified under the Rules of Racing.
