

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

## **SCHEDULE 1**

### **PART A**

#### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 1 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

## **SCHEDULE 2**

### **Approved areas that are open for the taking of regulated fish**

| <b>COLUMN 1</b>  | <b>COLUMN 2</b>                           |

**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

## **SCHEDULE 1**

### **PART A**

#### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 2 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

## **SCHEDULE 2**

Dated this 2 September 2015

.....

**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

## **SCHEDULE 1**

### **PART A**

#### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 3 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

## **SCHEDULE 2**

### **Approved areas that are open for the taking of regulated fish**

Dated this 3 September 2015

.....  
**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

## **SCHEDULE 1**

### **PART A**

#### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 4 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

**SCHEDULE 2****Approved areas that are open for the taking of regulated fish**

**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

### **SCHEDULE 1**

#### **PART A**

##### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 5 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

Dated this 5 September 2015

.....  
**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

## **SCHEDULE 1**

### **PART A**

#### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 7 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

## **SCHEDULE 2**

Dated this 7 September 2015

.....

**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

### **SCHEDULE 1**

#### **PART A**

##### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 8 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

## **SCHEDULE 2**

**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

## **SCHEDULE 1**

### **PART A**

#### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 23 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

## **SCHEDULE 2**

### **Approved areas that are open for the taking of regulated fish**

Dated this 23 September 2015

.....  
**Katrina Wilson**  
**Acting Manager, Tasmanian Shellfish Quality Assurance Program**

# **PRIMARY PRODUCE SAFETY (SEAFOOD) REGULATIONS 2014**

## **CLASSIFICATION NOTICE**

I, Katrina Wilson, being authorised to do so under section 8 (4) of the *Primary Produce Safety Act 2011*, hereby make in accordance with regulations 18 and 19 of the *Primary Produce Safety (Seafood) Regulations 2014*, the classification notice set out in Schedule 1.

-----

## **SCHEDULE 1**

### **PART A**

#### **Preliminary**

##### **1. When classification notice takes effect**

This classification notice takes effect on 23 September 2015, revokes and replaces all previous classification notices and remains in force until revoked.

##### **2. Interpretation**

In this classification notice –

“**the Act**” means the *Primary Produce Safety Act 2011* and includes the *Primary Produce Safety (Seafood) Regulations 2011* made under the Act;

“**adjacent area**” for Tasmania, has the same meaning as within Schedule 1 of the *Crimes at Sea Act 1999*

“**inland waters**” for Tasmania has the same meaning as within the *Inland Fisheries Act 1995*

“**lease**” means a lease, special lease or emergency lease in force under Part 4 of the *Marine Farming Planning Act 1994*;

“**lease number**” means the number, title or code used to identify a particular lease, and includes all the area contained within the boundaries of that lease;

“**State waters**” for Tasmania, has the same meaning as within the *Living Marine Resources Management Act 1995*;

“**Wild harvest area**” means the area described in the current management plan for the area maintained by the Tasmanian Shellfish Quality Assurance Program.

All other words and expressions used in this classification notice have the same meaning as they have in the Act.

## **PART B**

### **Classification and opening of areas**

#### **3. Classification of approved areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 2 of this classification notice are approved areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **4. Classification of restricted areas that are open for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 3 of this classification notice are restricted areas for the taking of the class or species of regulated fish specified in column 2 of the table.

#### **5. Classification of approved areas that are temporarily closed for the purposes of the Seafood Food Safety Scheme**

The areas specified in column 1 of the table at Schedule 4 of this classification notice are approved areas that are temporarily closed for the taking of the class or species of regulated fish specified in column 2 of the table. Column 3 provides a commentary on the date of closure and may include the reason.

## **SCHEDULE 2**
