

## DPIPWE Volunteer News Update - December 2020

### Volunteering Tasmania 2020 Award Winner

**Congratulations Jasmine - Volunteering Tasmania's Arts, Heritage, Tourism & Events Award Winner!**

This month we celebrate the amazing achievements of Jasmine Power, a Junior Volunteer Discovery Ranger with the Parks and Wildlife Service.

Jasmine has assisted the Parks and Wildlife Service's Discover Rangers over the past two summers, at the Mt Field National Park, supporting Discovery Day events and sharing the philosophy of Healthy Parks, Healthy People.

Her enthusiasm for conservation while working as part of our team alongside our Aboriginal and Bilingual Discovery Rangers, has been invaluable.

**Thank you Jasmine, for your ongoing support of the PWS**
