When questioned in relation to the manner in which she rode the mare out Apprentice Teagan Voorham explained that she did not use the whip in the home straight as she was instructed to limit her whip use and ride hands and heels to keep the mare balanced as it has a tendency to roll around when placed under pressure.

The carelessness being that near the 600 metres she permitted her mount to shift in when insufficiently clear of True Lady's Man which had to be checked by its rider. Stewards deemed the incident to be in the medium to low range. Teagan Voorham's licence to ride in races was suspended for 1 Tasmanian race meeting commencing midnight 13 August 2017 and expiring midnight 20 August 2017. Passing the 400 metres tightened for room between Owens and Ty Dash (D

Ganderton) which shifted out. Daniel Ganderton was advised to exercise care when shifting ground. In not taking any further action Stewards took into account the race manners of True Lady's Man and that after Ty Dash had to shift slightly when Gee Gees Style was taken out marginally by Shockwave Miss. When questioned Daniel Ganderton explained that he elected to trail White Hawk from the 400 metres with the anticipation that Kool Kash would shift out under pressure while leading affording him a run on the fence. Daniel Ganderton added that passing the 400 metres he elected not to take a run to the outside of Banca Dream as in his opinion that gelding was not travelling well at this point which would have hindered his momentum going forward.
