Correct weight was delayed when Troy Baker rider of second placegetter Gee Gees Style requested to view the official patrol film over the final 100 metres. After doing so he lodged a protest against Daniel Ganderton rider of Episodes being declared the winner alleging interference near the 100 metres. After taking evidence from all parties, viewing the official patrol films and acting on their own observations Stewards dismissed the protest as they were not fully satisfied that the interference suffered was greater than the overall margin at the end of the race and there were contributing factors. At a subsequent inquiry it was established that near the 100 metres Kyogle Son,(Teagan Voorham) had shifted out and at the same time Episodes (Daniel Ganderton) shifted in causing Gee Gees Style,(Troy Baker) to be crowded and Ariconte, (Chris Graham) having to be checked. Riders Daniel Ganderton and Teagan Voorham (App) were reprimanded under AR137(a) for causing interference and strongly advised that they must make every effort to keep their mounts straight.
